

on New Year's Eve, two years ago, at midnight

on your second birthday

on your twentieth birthday

on your tenth birthday

on your fifteenth birthday

on your last day of university

on your summer holidays five years ago

on your last vacation

yesterday

last weekend

last week on Monday morning

on 15 August 2004

on 25
February
2015

at 6 in the
morning on
your last
day off

the day
before
yesterday

last Friday
at 11:00 P.M.

last Sunday
at
8 in the
morning

three
Saturdays
ago in the
evening

on Monday
at 5:30 P.M.

on
Thursday
at 8:00 P.M.

on
Saturday at
three in the
afternoon

in the
spring of
last year

on the first
weekend in
April of last
year

5 days ago
at midnight

5 days ago
at noon

at this time
last year

5 minutes
before
English
class

in the
summer
of 2020

the day
after your
wedding

the last
time
it rained

in the fall
of 2014

the day
before your
wedding

on the first
day of
summer
holidays

on the best
day of the
week last
week

on the
worst day of
the week
last week

on your
honeymoon

on your
worst
vacation
ever

the last
time you
said "Never
again!"

on your
best day of
last year

on your
craziest
weekend of
the year so
far

on your
strangest
weekend of
the year so
far

on your
most
interesting
night out
last month

at this time
last week

at this time
last month

at this time
yesterday

on your last
night out

at the last
sporting
event you
went to

the day you
were born

in 1999

in 2020

in 2009

the last
time you
had to talk
to the
police

the last
time you
spent a lot
of money on
something

the last
time you
were in a
dangerous
situation

the last
time you
laughed
really hard

after work
on Monday
morning

the last time
you lost
something
important

the last
time you
said, "No
way!"

the last
time you
spoke
English
outside of
class

the last
time you
said,
"Awesome!"
