

Everyone is greedy deep down.  
It's just that some are better at hiding it.

Our politicians reflect the way  
our society thinks as a whole.

People who waste food are  
acting in a greedy way.

Those who do not know how to spend moderately  
deserve punishment or consequences.

Being greedy always leads to bad things.

Children learn how to be greedy  
by watching movies and TV.

American culture is full of greed.

If you want to succeed, you must be greedy.

Fairy tales and historic epics don't help  
to shape culture or teach people anymore.

Moderation is overrated.

The pandemic has made me  
greedier than before.

The pandemic has made me  
greedier than I was before.
